What We Can Do.

Rage against Rumbles: Student-led Actions to End Hunger in Our Community

What is “food security?”

- USDA defines as access by all people at all times to enough nutritious food for an active, healthy life.
- People who are hungry (or “food insecure”) may:
 - Skip meals
 - Cut back on the amount or types of foods they eat

How Does Hunger Affect Kids?

1
Health and developmental issues
Iron deficiency, asthma, learning difficulties

2
Poor academic performance
Lower math scores, difficulty concentrating, repeating a grade level

3
Behavioral problems
Irritability, difficulty getting along with others, school suspensions

Student-led solutions

- School breakfast and lunch programs: Eat school meals and volunteer to help as a student-worker.
- Food drives: Organize a food drive and encourage healthy food donations.
- Backpack programs: Create a backpack program in your community to ensure that kids have enough food over the weekend.
- Food banks: Find your local food bank and see how you and your friends can help!
